

## Everleigh

2023

## **NOTES**

This plan has been prepared from preliminary survey plan (SP323156) and engineering plans provided on the 23/11/2020 by Premise Engineering Pty Ltd.

Development approval was granted for this subdivision (DEV2016/768/45) by the Minister for Economic Development Queensland (10/07/20).

The relevant authorities have granted operational works approval for the proposed lot.

The purchaser should refer to the applicable development approvals for building and/or other requirements that may be applicable to the lot.

All fill shall be placed and compacted in a controlled manner so that Level 1 level of responsibility may be achieved and certified as per AS3798-2007.

Fill placed between proposed tiered retaining walls will generally be equal to the height of the top of the bottom retaining wall.
