NOTES
 This plan has been prepared from preliminary survey plan (SP334747), engineering plans provided on the 06/02/2023 by Premise Civil Engineering Pty Ltd and advice received by Mirvac on 21/11/2023.
 Development approval was granted for this subdivision (DEV2020/1160) by the Minister for Economic Development Queensland on 26th of August 2021.
 The relevant authorities have granted operational works approval for the proposed lot.
 The purchaser should refer to the applicable development approvals for building and/or other requirements that may be applicable to the lot.
 Extent of retaining walls shown inductively only. Retaining walls may not extend the full length of a lot boundary where finished level between allotments is less than 0.5m.
 Parts of this lot may be subject to rip and re-compact earthwork procedures as determined by site conditions. This process may be completed in cut locations to assist the house pad construction. Any re-compaction will comply with AS3798 requirements and certified by a third party company.
 Lot 3396 contains Easement A on SP334747 benefiting Energex.

Disclosure Plan for Proposed Lot 3396 on SP334747
