

# Everleigh

PRECINCT 7.1

## NOTES

This plan has been prepared from preliminary survey plan (SP362697) and engineering data & plans provided on the 11/02/2026 by Premise civil engineers.

The current development approval was granted for this subdivision (DEV2024/1517) by the Minister for Economic Development Queensland on 16th of May 2025.

The relevant authorities have granted operational works approval, for the proposed lot.

The purchaser should refer to the applicable development approvals for building and/or other requirements that may be applicable to the lot.

Extent of retaining walls shown indicatively only. Retaining walls may not extend the full length of a lot boundary where finished level between allotments is less than 0.5m.

Parts of this lot may be subject to rip and re-compact earthwork procedures as determined by site conditions. This process may be completed in cut locations to assist the house pad construction. Any re-compaction will comply with AS3798 requirements and certified by a third party company.

All fill shall be placed and compacted in a controlled manner so that Level 1 level of responsibility may be achieved and certified as per AS3798-2007.

**ASSET PROTECTION ZONE (APZ)**

In accordance with the approved Bushfire Management Plan from Land and Environment Consultants Pty Ltd, dated 24/05/2024, Section 6.1, this lot is subject to a 10m wide Asset Protection Zone as shown on this disclosure plan.

Buildings and structures, other than a driveway, swimming pool, lawn locker style garden sheds, water tank, fencing and retaining walls, must not be located within the APZ. If these structures are located within the APZ, they must be constructed with fire-resisting materials.

**Retaining Wall in Lot 5352**  
 Max Height : 2.19m  
 Min Height : 0.60m  
 Average Height : 1.40m
